To Whom it May Concern,

I am writing to express my support of my local K-LOVE station (89.9, 91.9 and 88.1). The K-LOVE programming is unique, and our community would be hurt if it would be displaced by an LPFM broadcaster providing other programming. K-LOVE is encouraging and uplifting. KLOVE keeps me up-to-date on Christian programs and concerts that are happening in my area. It helps me get through the day, and it makes me a better person. K-LOVE fills me up, and I in return have more to give to our community because of that. I don't know any other radio station that does that.

Sincerely,

Melissa W. Folsom
